Academy Selection

It's time to make your academy selection. Using numbers 1-7, rank the seven academies according to your preference, using 1 as your most preferred academy and 7 as your least preferred academy. It is important that you give careful consideration to your academy preferences and make your own decision. There will be very limited opportunities to change academies. Base your decision on your interests, not on your friends. Academies do not limit any future career options or high school programming. Administrators will make every attempt to place you in one of your top three academies.

- | | |
|---|--|
| English 9 Honors – Recommend B- or higher in LA 8. MANDATORY SUMMER READING | Biology I Honors – Recommend B- or higher in Sci 8 |
| World History Honors – Recommend B- or higher in Soc St 8 and B- or higher in LA 8 | PLTW Elective – Recommend students with strong math skills |
| World Language Elective – Recommended for students with STRONG English skills | Students can take Eng Des PLTW or Intro to Des Process, but not BOTH. |
| *Must have earned Algebra I-1 and I-2 credits or Geometry credits to take Algebra 2H | **Must have earned both Biology 1-I and 1-II to take Adv Sci:Animal Honors |
| ***ATT Description: Students will take an online course and work at their own pace throughout the semester. Each student will be in a computer lab environment with a certified teacher. Students will have the ability to continue working at home and may complete more than one course each semester. All work and assessments are online. | |
| PLEASE NOTE: Algebra 1 Lab 1 and Language Arts Lab are also elective courses. Placement in Algebra I Lab & Language Arts Lab will occur after all course selections have been made. If you are placed in one or both of these courses, it will decrease the number of elective courses that you have selected. Placement in Lab courses are a result of standardized test scores, grades, and teacher recommendation. If you would like to choose one of these courses, please let your counselor know. | |
